

## PRESS RELEASE

### Hufvudstaden welcomes CHIMI to Bibliotekstan

**In the spring of 2026, the Swedish eyewear brand CHIMI will open a new flagship store in one of Hufvudstaden's properties in Bibliotekstan. The new store, approximately 200 square meters spread over two floors, will be located at Biblioteksgatan 6 in Stockholm.**

Founded in 2016, CHIMI is known for its unique design that blends fashion and function. The brand combines minimalist design with a bold and colorful aesthetic, making its eyewear both trendy and eye-catching.

*"We are pleased to confirm that CHIMI has chosen one of Hufvudstaden's properties in Bibliotekstan for the establishment of their new concept store. CHIMI's fashion-oriented range complements the existing offering well and contributes to further strengthening Bibliotekstan as the premier shopping destination in the Nordics,"* says Emanuel Westin, Head of Business Development Retail at Hufvudstaden.

*"Moving our store to Biblioteksgatan marks a natural next step for CHIMI. We want to be where our customers are, in an environment that reflects our aesthetics and ambition. Bibliotekstan has a dynamic energy that aligns with our brand – a place where fashion, architecture, and culture meet. With this new location, we gain a platform that truly represents CHIMI's world, offering our customers an even more inspiring and immersive retail experience,"* says Charlie Lindström, Co-Founder & Creative Director of CHIMI.

CHIMI is currently a tenant of Hufvudstaden, with a store located at Kungsgatan 6. With the new establishment in Bibliotekstan, the Kungsgatan store will be closed.
