Adam & Albin to open Nori Bar in Bibliotekstan

Adam & Albin, together with multi-award-winning Josephine Sondlo, are to open Nori Bar in Birger Jarlspassagen. The new cocktail bar will open during spring in a space of almost 100 sqm with the ambition of further strengthening the prestigious Birger Jarlspassagen walkway as a vibrant meeting place at the heart of the city.

Adam & Albin already run the Misshumasshu restaurant in Birger Jarlspassagen, which will now be completed by the cocktail bar with the celebrated chef duo and star bartender Josephine Sondlo. The inspiration for the Nori Bar concept is taken from the best New York bars where Josephine has plied her trade. The concept will be dark, mysterious and suggestive where every order will be treated with the same artisanal skill and attention to detail.

- *"In addition to fantastic bar food in the evening, we'll be providing lovely long lunches focused on seafood during the day. There will be a set menu with a nod to Japanese omakase,"* says Adam Dahlberg, co-founder of Adam & Albin.

Bibliotekstan is the top meeting place in Stockholm with the best mix of Swedish and international fashion together with restaurants and cafés gathered in an inspiring environment.

- *"We're delighted that Adam & Albin has chosen Bibliotekstan for its new concept Nori Bar and thereby further strengthen the illustrious Birger Jarlspassagen as a vibrant meeting place at the heart of the city. Nori Bar complements our existing offering and broadens Bibliotekstan's Food & Beverage offering,"* says Emanuel Westin, Head of Business Development, Retail at Hufvudstaden.
