Hufvudstaden leases 1,300 sqm on Kungsgatan

Hufvudstaden has signed a lease with GOT YOUR BACK for approximately 1,300 sqm of premium office space at Kungsgatan 36, in the Oxhuvudet property. Move-in is planned for late 2026.

GOT YOUR BACK, a high-growth company and leading Nordic provider of complex administrative services for the financial sector, is relocating to support its continued expansion and increasing capacity needs. The new office will be located high up in the building, in the iconic curved corner at the intersection of Kungsgatan and Sveavägen. The space also features an exclusive private terrace with three exposures, offering panoramic views across central Stockholm.

“The move to Kungsgatan marks an exciting milestone in GOT YOUR BACK’s growth journey. The unique qualities of the space – from its iconic location and elevated position to the private terrace overlooking Stockholm – reflect our ambition to be a leading player in the Nordic market. We are confident this will provide an inspiring environment for both our employees and our clients,” says Martin Gorne, Chief Executive Officer, GOT YOUR BACK.

Kungsgatan is one of Stockholm’s most vibrant and sought-after commercial streets, offering a wide range of restaurants, retail and services. The location provides excellent connectivity, with metro, commuter rail and bus services all within walking distance.

“We are very pleased to welcome GOT YOUR BACK to Hufvudstaden and to one of Stockholm’s most attractive business locations on Kungsgatan,” says Frida Wijkström, Head of Business Area Stockholm.
