Hufvudstaden welcomes Maanesten to Bibliotekstan

In the spring of 2022, Danish jewellery brand Maanesten will open on Smålandsgatan 20 in Stockholm. It will be Maanesten's first concept store in Sweden and it will offer the brand's full range of jewellery and accessories.

Maanesten was established in 2010 by Henrik and Lotte Venø Callesen. Their designs are characterized by a free, spiritual and unpretentious design expression, with each piece of jewellery being unique and a work of art in their own right. In recent years, the brand has expanded its accessories collection with jewellery in bright colours and patterns. Today, Maanesten is represented in Denmark, Norway and Germany and is now opening its first store in Sweden which has a surface area of about 60 sqm and is due to open in March.

- *"We're delighted that Maanesten has chosen Bibliotekstan for its first concept store in Sweden. The brand is an ideal complement to our existing range and further strengthens Bibliotekstan as Stockholm's top meeting place for food and fashion,"* says Emanuel Westin, Head of Business Development, Retail at Hufvudstaden.
